**PELZER NEWS**

Pelzer, March 5.—We are experiencing winter in all its varieties these days. We have had rain, sleet and snow, sunshine, and blizzards with the thermometer lower Sunday night than we have had before in many a day. Still we are being comforted, as many of our old residents are telling us that all this cold and snow means less sickness, more fruit this summer, better crops for our farmers and a number of other things that are being said in favor of the severe weather—so how can we grumble with such bright prospects to look forward to? Truly, we must realize that it is for the best and we must just say "If it must be, just give us more rain, more sleet, more blizzards, more snow and we'll just be contented to dream of spring till this winter is ready to go."

In spite of the cold weather we are having much going and much coming among us the past week.

Mr. Oscar Collier, business man of Belton, was an unusual visitor to the city this Monday.

Mrs. Charles G. Stevenson of Anderson spent yesterday here with her cousin, Mrs. H. T. Stewart, Mrs. Steward and children, Joe and Walter. They spent last week with Mrs. Stevenson's parents, Mr. and Mrs. H. C. Scott of Pisgah. They were en route to their home in Anderson when they stopped over in Pelzer.

Mrs. W. C. Scott of Pisgah was in town Monday.

Mrs. Louis Monday left Saturday for Hodges, where she goes to make her home with her widowed sister, Mrs. Young, whom she recently died. We hope her abode in her sister's home may mean much cheer to that bereaved family.

It is with real joy that we announce that Misses Mattie Vandiver and Nannie Smith have consented to take the leadership of the Sunbeam Club. The former leader, Mrs. R. J.
